MAD JACK OPENS AT PARADIZ CENTRE

MAD JACK Café is the newest addition to the eateries at Paradiz Centre

MAD JACK known throughout the sunny island for its spontaneous and interactive entertainment is staying true to its 'Singapore Famoso' reputation with the opening of its fourth location in Paradiz Centre.

August 11 marked the grand opening date of MAD JACK Café @ Paradiz with new look & feel - an upscale & hip restaurant with authentic Aussie cuisine. It is the latest addition to the MAD JACK Group. Substantial research was done and investments made to create an authentic Aussie Experience from the flavorful cuisine to the well-designed interior. You can't miss the gigantic MAD JACK signage in bright red color when you drive past Selegie Rd. The new MAD JACK Café boasts a wide frontage with a total of 1100 square feet that seats approximately 50 – with much more room for kangaroo to hop in. The interior is well-designed with soft couches as well as the regular table-chair combination for an exclusive dining experience. The tall window glass that surrounds the restaurant adds to its concept of openness.

The new Mad Jack Café will introduce a distinctive new menu section "Crazy Set Dinner". Three set dinner options of Grilled Lamb Chops, Grilled Rib-Eye and Fish & Chips Premium are available. The set dinner comes standard with Soup of the Day, Dessert of the Day and a Coke.
